The Art Of Minimalism

WWW.UKRESINFLOORS.COM

MINIMALIST

The Seamless Revolution

The Essence of Mono

Mono is simplicity with total freedom.
We begin with a curated colour range, but every shade from the full RAL and NCS collections is available, allowing you to choose any tone you envision.
A seamless, single-colour surface where minimalism stays pure and design has no limits.

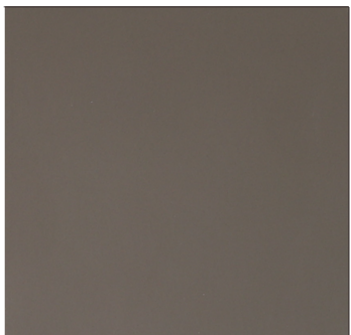

SEAMLESS DESIGN
EXCEPTIONAL HOMES

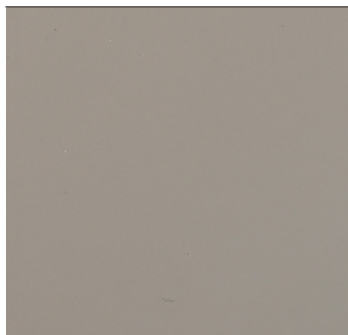

Mono Range

Beautiful single-tone shades create a seamless, refined finish in any RAL or NCS colour.
